

Quality Aged Care with Multicultural Partnerships

Resources | 16 March 2023

Stakeholder Toolkit

[View >>](#)

The Australian Government has developed this toolkit with information and resources to promote free translating and interpreting services available to aged care providers to help them connect with people from diverse backgrounds.

Free Translations for Aged Care Services

[View >>](#)

Free translations for information or guidance to assist older people using or intending to use aged care services, their families and carers.

TIS National for Aged Care Service Providers

[View >>](#)

The Australian Government offers interpreting services to help people from culturally and linguistically diverse backgrounds access and navigate the aged care system.

Aged Care Specialisation Verification

[View >>](#)

The Department of Health and Aged Care have developed the Specialisation Verification Framework to ensure that older Australians with diverse backgrounds and life experiences can access more reliable information when choosing their aged care providers.

OPAN - Planning for Diversity Workshop Series

[View >>](#)

OPAN's Planning for Diversity workshop series is available to all aged care providers. It offers practical information and tools to make your services more inclusive of older people from diverse and marginalised groups.

Minjerribah Moorgumpin (Elders-In-Council) Aboriginal Corporation

[View >>](#)

The Minjerribah-Moorgumpin Elders-in-Council Aboriginal Corporation (MMEIC), founded in 1993, plays a key role in the preservation and maintenance of Aboriginal First Nations Quandamooka cultural heritage, and cultural and educational services to local and international visitors from around the globe.
