

Call for Artwork Submission: Multicultural Conference

We are excited to invite Queensland multicultural community artists and creatives to submit artwork or pattern to represent our upcoming FECCA 2024 Conference. Organised by the Federation of Ethnic Communities' Council of Australia (FECCA), and the Ethnic Communities Council of Queensland (ECCQ), peak bodies representing Australians from culturally and linguistically diverse backgrounds. This conference serves as a platform to advocate for issues impacting ethnic communities, celebrate ongoing success stories, and an inspiring vision for a multicultural Australia.

Themes to incorporate in the artwork:

1. **Unity in Diversity:** Showcase the beauty and strength of cultural diversity coming together.
2. **Cross-Cultural Exchange:** Highlight the exchange of ideas, traditions, and values among different cultural groups.
3. **Community Empowerment:** Represent the empowerment of ethnic communities to thrive and contribute to society.
4. **Harmony and Inclusion:** Emphasise the importance of fostering harmony and inclusion in a multicultural society.
5. **Cultural Heritage:** Celebrate the rich cultural heritage and traditions of diverse communities.
6. **Advocacy and Representation:** Reflect the advocacy efforts and representation of ethnic communities in various spheres of society.
7. **Resilience and Strength:** Illustrate the resilience and strength of individuals and communities in overcoming challenges.

We encourage submissions that creatively integrate any of these themes into an artwork or pattern that embodies the spirit of our multicultural conference. Your artwork will play a crucial role in visually representing the values and aspirations of our conference.
